Patrick Napoleon Oakley has created a real LONDON, Dec. S.—To-day, in the case of sensation in the municipal legislature, which Mary Eleanor Piercey, aged twenty-four, of 2 bids fair to r.vai that which followed the Priory street, Kentish Town, London, charged famous secret meeting of the Board of Alderwith the murder of Phothe flogg, a married men in 1884 that culminated in the sentence to prison of several Aldermen and the enforced The statement in open session by the Alder

man from the Third Assembly District that he had been offered a bribe to use his influence to secure favorable action on the petition of the Box Coats, Chinchilla satin guilted-Alderman Cakley did not stop here, but clared that he believed other members of the

telling who offered him the bribe. The other members of the Board, however, colleague that they aid not think to tax him with his dereliction in this regard, and only Alderman Storm milely sugars ed that Mr. Oakl y might have told more while he was

Board had been similarly approached by cor-

about it. Storm calling up the petition of the Tunne committee on Bridges and Tunnels from sister, Mrs. West-Jones, arrived from America in the Majestic.

A passenger states that although it was evident that sue felt her position acutely as the widow of an executed murderer, she did not hesitate to mingle with the other travellers, which had the effect of keeping up her spirits.

Mrs. West-Jones was cheerful in her demands of the Board were on the "atrice." He declared that his was not true, and then made the starting occurration that he had songs at the usual concert given on board the Dakiey declared that he had said all he pro-123 Fulton St., WILLIAM STS.
